Open Call Results

At some point we decided we would like to make a page with all our pride and heritage - the winner & finalist artworks of all our Open Calls. This way every visitor can immediately see how many people have won in our contests throughout our history.

We believe that having a common history with you is a truly great thing and a very heart-warming feeling. We hope you will also share this honor with us!

RESTART

Congratulations!

Your artworks stood out among many impressive submissions, and we are excited to present them in the upcoming exhibition! To confirm your participation and secure your place in the exhibition, kindly make sure the exhibition fee is covered no later than 12.03.2026.
